

## Jenyns Spring Term Parent Survey Feedback Spring Term 2025

Dear Parents/Carers,

At Jenyns First School and Nursery, we are committed to maintaining an open and transparent dialogue with our parents and guardians. We believe that your insights and feedback are invaluable in helping us understand our strengths and identify areas where we can grow and improve. During parent consultations, we conducted a parent survey to gather your thoughts and opinions on various aspects of our school.

The response to the survey was overwhelmingly positive, with a significant number of parents taking the time to share their experiences and suggestions. Your thoughtful and candid feedback has provided us with a wealth of information that will guide our efforts to enhance the educational experience we offer.

In this letter, we are pleased to share some key insights from the survey results. We believe it is important for you to know the collective feedback of our parent community. We will also be planning to share some of these responses on our social media and school website.

Please note that some responses have been paraphrased/edited to not reveal the identity of specific children/parents/members of staff.

If you have any questions regarding the school's response to feedback, please do not hesitate to contact me via the school office email address.

Many Thanks,

Mr J Sadler
