

At Jenyns First School and Nursery, we strive to offer the best experience we can through a broad curriculum offer. At times, this includes school visits to local places or further afield. We like to take photographs so the children remember their visit and we like to share these with parents so they can share the experience with us.

The curriculum also covers a range of activities as well as content that enhances the education as well as offer personal development to all of our children.

Permission Statement

I give consent for my child to be included in the following activity(ies):

- Copyright Permission
- Internet Access
